A CALIFORNIA ROADTRIP IN PARIS

The brasserie FR/AME presents a creative menu based on fresh local products, much of which come from the hotel's organic garden featuring bee hives and chicken coop. The dishes get their flavour inspirations from Californian and Mexican cuisine. Vinoteca by Pullman offers a selection of fine wines for meetings, after-work drinks, Sunday brunch and other business or leisure events. Hip DJs and a thoroughly modern design add to the vibrant pulse of the restaurant. In warmer weather, guests can relax with drinks and meals on the terrace, under the gaze of the "Iron Lady".

VIBRANT GATHERINGS

Pullman understands events. The Pullman Paris Tour Eiffel has 2000m² of meeting spaces, including a generous room on the 10th floor with a glass roof and floor-to-ceiling windows. These spaces can be arranged as classrooms, banquet halls or amphitheatres – whatever the need. The Business Playground by Pullman, created by designer Mathieu Lehanneur, is an ultramodern state of the art meeting room that fully embodies the Pullman spirit.

Co-Meeting by Pullman provides a high-performance support team, including an Events Manager and IT Solutions Manager, dedicated to the success of every function. So you can focus on "work hard, play hard" and see your ideas come to life.
