# Rooms

Park Hyatt Paris-Vendôme offers 156 keys, including 45 luxury suites, in a stunning Parisian Palace near Place Vendôme. The hotel features a striking blend of contemporary architecture and classic design planned by renowned designer Ed Tuttle.

Each bathroom includes the relaxing elements of a spa, such as limestone walls, a deep-soaking tub, rain shower, heated floors, and exclusive toiletries designed by acclaimed perfumer Blaise Mautin.

# Suites

# Our Restaurants

With one Michelin Star, Pur'- Jean-François Rouquette is an invitation to discover a highly creative take on French gastronomy.

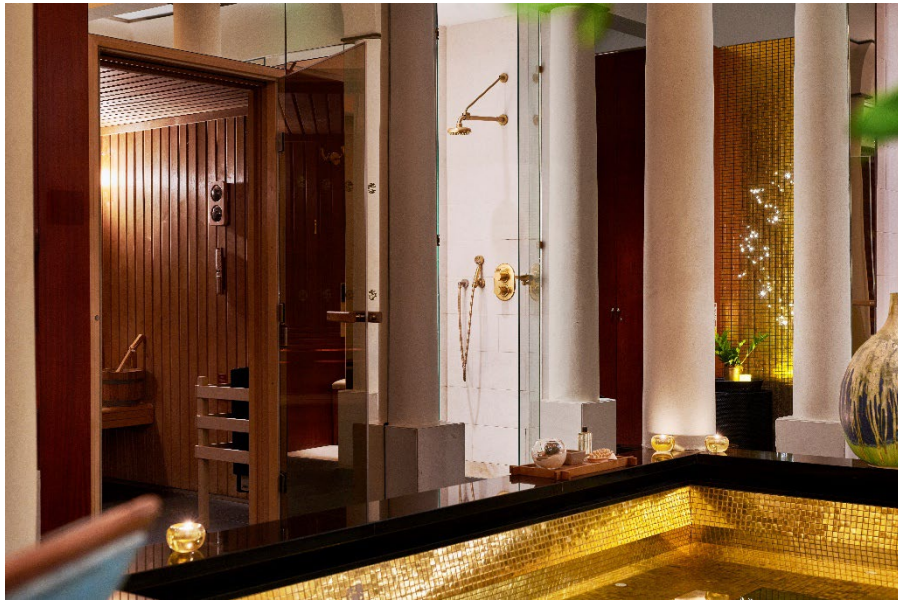

Café Jeanne is composed of three vast spaces: the dining room under the magnificent glass roof, the comfortable lounge by the fireplace, and the terrace ideal for enjoying beautiful days.

# *Le Spa*

## A SANCTUARY OF TRANQUILITY

For the ultimate in well-being, the hotel has an intimate Spa with La Mer products as its exclusive partner.

The exquisite space is dedicated to well-being and beauty. Using an association of different materials and atmospheres, where the brightness of the stone of Paris melts with the depth of mahogany and black granite from Zimbabwe, the spa is lit up by the reflections of gold mosaic and onyx.
