AN EXQUISITE, ELEGANT AND *unforgettable* HOTEL

AN ELEGANT, UPLIFTING GRAND HOTEL,
INTELLIGENTLY DESIGNED FOR MODERN LIFE

Corinthia London is an elegant retreat in the heart of London, where grandeur and heritage meet exquisite, intelligent design, and where every comfort is considered. Whether you're interested in arts and exhibitions, cultural traditions, gastronomic delights or child-friendly activities, the city offers plenty of opportunity to explore your greatest passions, or even develop a new one.

PENTHOUSE *perfection*

The immaculately restored Victorian façade is home to no less than seven Penthouses that offer the extraordinary, breath-taking views across the London skyline and also come with exclusive perks such as a personal butler, car with driver and of course, the discreet satisfaction of residing in one of London's most sought-after addresses.

ROOMS & SUITES

Understanding the importance of guest comfort, our 283 rooms and suites range from 485ft² to 5,000 ft² making them one of London's most spacious accommodation offering with picturesque courtyard or historic building views.

RESTAURANTS & BARS

The hotel features two elegant restaurants: Kerridge's Bar & Grill, with Michelin-starred chef Tom Kerridge at the helm, offering British food at its best; and The Northall, home to lighter seasonal menus from executive chef André Garrett.

At the heart of our grand hotel is the Crystal Moon Lounge where our award winning afternoon tea is served, and the Garden, our alfresco restaurant.

We have recently welcomed our new Champagne and cocktail bar, Velvet, magnetic through quality lifestyle, allowing the forbidden and a joie de vivre. In partnership with acclaimed bartender and drinks expert, Salvatore Calabrese, Velvet is bringing back the theatre to cocktail-making. Featuring classic cocktails with a modern twist, new era drinks and Salvatore's signatures, guests will experience the craft and passion with every sip.

ESPA LIFE AT CORINTHIA *a spa revolution*

The hotel's flagship ESPA Life at Corinthia is not only London's largest spa, but it's also home to an array of well-being experts in fitness, osteopathy, nutrition, sound therapy as well as Dr Barbara Sturm, renowned for her non-surgical and anti-ageing treatments. The spa's thermal floor encourages relaxation and it also features a swimming pool, vitality pool, sauna, steam room and sleeping pods. There is also a hair salon by Daniel Galvin and a state-of-the-art gym featuring complimentary personal training sessions by AMP.

ESPA Life is proud to introduce its latest partnership with the London Regenerative Institute (LRI). LRI is led by a team of world renowned Doctors who have designed a leading-edge precision health care program using today's best technology to detect and help preempt diseases and more.
