UNIQUE SPACES WITH CHARACTER

Looking for an event venue to impress? Our Crystal Ballroom and Cloisters suite provide extravagant backdrops for any large celebration, gala dinner or conference.

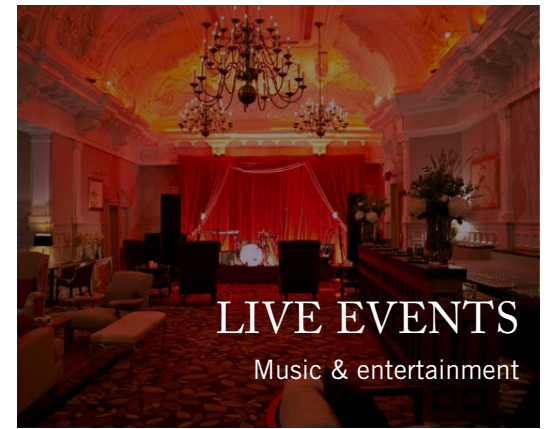

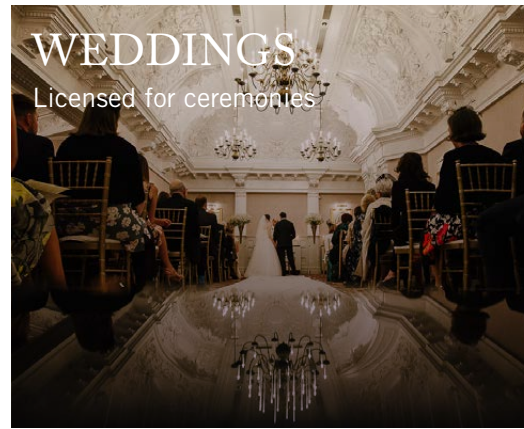

Originally designed by theatre designer JB Briggs, the sense of drama is apparent as you step into this magnificent Ballroom, abundant with original features and its eponymous crystal chandelier.

The Crystal Ballroom hosts events for up to 180 guests. For larger events the ballroom interconnects with the Cloisters and the Crystal Mezzanine to host events for up to 480 people.

The Cloisters, an 100 year old banqueting hall with striking rococo plasterwork and vaulted ceiling, can be used for events up to 170.
