

The Hoxton

Just like our doors, our minds are open too. We turn empty car parks into hotels, reimagine old buildings that have interesting stories, and breathe life into new ones. Our hotels are inspired by the streets and scenes that surround them, and each one is an authentic reflection of its neighbourhood.

It all started with The Hoxton, Shoreditch back in 2006. Holborn was next in 2014, followed by Amsterdam in 2015, and Paris arrived in 2017 in all its grandeur. Williamsburg and Portland opened in 2018. Chicago was the first opening of 2019, with Southwark and Downtown LA following later in the year.

What we do

More than a Hotel

The Hoxton has never just been about offering a bed for the night. We want to be more than that, providing a vibrant and welcoming place where guests can hangout alongside the locals and immerse themselves in the neighbourhood.

Bringing the Outside In

From the locally sourced art on our walls, bookshelves curated by Hox Friends, and Best Of collaborations; to our programme of monthly events unique to each location.

Hox Shop

From Best Of to Blank, we've created and curated lovely products exclusively for The Hoxton. Plus each room has a mini fridge to stock with products from our Hox Shop at supermarket prices.

Our Design

All our spaces are vibrant, cosy, welcoming, and inspired by our local neighbourhoods.

No rip-off policy

Our rooms have everything you need and nothing you don't. Everyone gets water, fresh milk, coffee and tea, and a fridge that's yours to stock with snacks and drinks from our Hox Shop, where you'll find beers, wines and soft drinks at supermarket prices.

Meet, Eat, Party, Repeat

Our events space, The Apartment, is there to make your own. Day or night, take over the whole space or just one room.

Working From_

A new dedicated workspace by The Hoxton – inspired by all the folk working from our lobbies since 2006.

Bringing the best of the outside in

We bring the best of the outside in; from the art on our walls, our bookshelves curated by Hox Friends, bespoke artist-designed linens and wallpapers, to our limited Best Of collaborations with local makers. Then there's our eclectic programme of monthly events, where we work with creatives to curate events unique to each location.

Hox shop

Want to take a bit of the Hox home with you? We've created and curated lovely products exclusively for The Hoxton. From our Best Of collections, featuring limited edition goods by our favourite local makers; to Blank, our no-nonsense range of bathroom products that'll keep you clean and feeling fresh. All available at the Hox Shop by Reception and online.

No rip-offs

No nasty surprises at checkout with our rip-off free fridge stocked with milk and water, plus snacks at supermarket prices in our lobby shop, 1hr international calls, room service, and of course free WiFi.

We make sure you have everything you need, but nothing you don't, enabling us to keep prices accessible without compromising on the things that matter.

Our design

All our spaces are vibrant, cosy and welcoming – designed like a home away from home. We take inspiration from our neighbourhoods, with work on show from local artists and makers. Our doors are always open and our front desk is deliberately tucked away, so everyone feels welcome, not just our guests.

Meet, eat, party, repeat

Our events space, The Apartment, is centered around a fully stocked all you can eat Pantry. It's a space to make your own. From intimate dinners and sparkly soirées to networking sessions, press launches, or that big pitch.

Day or night, take over the whole space or just one room. Then dress it up or down to make it personal, memorable and exclusively yours.

Working from_

Working From_ is a new dedicated workspace by The Hoxton – inspired by all the folk working from our lobbies since 2006. It has all the practical things you'd expect from a coworking space, but with some lovely Hoxton extras. Expect a desk with a view, service with a smile, and rip off-free rates.

In the background, a multi-tiered metal shelving unit is filled with various bottles of liquor and glassware. The wall behind the bar is made of light-colored stone or brick. A framed picture hangs on the left wall. The lighting is warm and ambient, with several pendant lights visible.
