Supporting Programmes & incentives

A stay in the Althoff Grandhotel Schloss Bensberg is a coveted incentive. Which can actually be made even more special. For example with an excellent concert at the Cologne Philharmonic Hall or with a visit to one of Cologne's many renowned museums.

Use the surroundings of the palace and the adjacent area for the success of your event: an exciting offroad parcour, a racy boat trip – a little different from all the rest – on the magnificent Rhine, a classic brewery tour in Cologne, a soap box derby with specifically built vehicles, a fencing tournament or archery in the countryside – only a few of the ideas which we can implement for you.
