### Eat, Drink and Enjoy

#### OXBO restaurant - from farm to fork

Housed on the ground floor of Hilton Sofia, OXBO is a spacious and stylish restaurant that will suit your mood at any given time, whether you are coming in for breakfast, lunch, or dinner. The ethos of OXBO is inspired by agricultural heritage - our love for nature, respect for the land, and celebration of togetherness. Because coming together of friends, families, colleagues or strangers is the heart and soul of OXBO.

At OXBO every dish and drink on the menu is an opportunity to honor quality produce, and authentic flavors and to celebrate each of the seasons. We love to show our appreciation and joy for food through the beautiful presentation - in the way each plate is designed. We also lovingly source our ingredients from reputable suppliers who we like to call our partners.

### Why Hilton Sofia

With a remarkable legacy spanning over two decades, Hilton Sofia retains its position as the traveler's perfect choice, from its unique location with a park at your doorstep to its impeccable access to the main local attractions, fully modernized rooms, an experienced personnel, a wide choice of culinary temptations and an impressive renovation project on the go. Hilton Sofia promise to elevate its signature hospitality with thoughtful experiences and a brand new concept: "Hotel in the park - Park in the hotel" and the slogan "Hilton Sofia - A natural place".

Hilton Sofia offers Carbon Neutral Meetings to limit the environmental impact of our operations and achieve our collective ambitions. When placing an event at our property, we can offer you Meeting Impact Calculator – using the information within the Light Stay platform, the calculator takes property's consumption data to create a bespoke report that shows the estimated carbon, energy, water and waste that will be produced from your event. Based on your group's impact, Hilton will offset the CO2 emissions associated with your event by procuring carbon offset credit from the South Pole Group at no cost to you.
