Châteauform'

Château de Bellinglise

“ the zen area with Japanese baths, to free your mind and recharge your batteries. ”

Nestled between a hill and a private 140-hectare park, the Bellinglise castle welcomes guests to a pink brick Louis XIII style building that has been capturing the imagination of its owners since the Middle Ages. This multi-section building offers a multitude of ideal configurations for your “at home” seminars. Let your imagination soak in the magic of this unusual location, located just 45 minutes from the Roissy airport (with very easy access from Lille and Belgium).

The magic of meetings in the countryside

Justine & Alessio

Welcome to the house! It's a great pleasure for us and our wonderful team to welcome you to the heart of Picardy. Come and discover our magnificent château with its typical, welcoming rooms, its home cooking and dining rooms with period wood panelling, as well as unique activities, such as our Japanese baths! Everything here is done so that your seminar is the greatest success, all you need to do is arrive and let yourself be guided.

Christophe

Today, my cooking is a reflection of that simplicity. "Ah, the joy of a steak that has been simply seasoned with salt and pepper and cooked in the oven with vichy carrots or a good potato puree, and the smell of butter after being added to vegetables!"
