# GENERAL INFORMATION: GRAND HYATT SEOUL

## Opened

July 1, 1978

## Background

Grand Hyatt Seoul, in the heart of the nation's capital, is set amidst 18 acres of beautifully landscaped gardens at the foot of historic Mt. Namsan. Commanding breathtaking views of the Han River to the south and Mt. Namsan to the north, the hotel is only minutes away from the downtown commercial district and within walking distance of Itaewon, one of the most popular tourist attractions. The hotel is 70 minutes away from Incheon International Airport, 50 minutes from Gimpo Domestic Airport, 20 minutes from the Samsung-dong business hub, with most all of the city's key districts within proximity to the hotel.
