WELCOME TO BERLIN

The Radisson Blu Hotel is located in the historic centre of Berlin Mitte, directly on the bank of the river Spree and opposite to the Berlin Cathedral. Just a stroll away from the hotel are "Alexanderplatz", Museum Island, Boulevard "Unter den Linden" and the exclusive shops along "Friedrichstraße". Public transport and the Berlin airports are within good reach.

The attraction of the hotel lobby is the AquaDom. It is the world's largest cylindrical aquarium with a fascinating underwater world in one million litres of salt-water.

ROOM & SUITES

427 guest rooms and suites combine timeless elegance with cutting edge comfort. The clear design in a purist style reflects urban trends. The dark wood and warm tones of the high-class furniture create a homely atmosphere. All rooms include wireless-lan and high-speed Internet access and are equipped with flat screen TV, trouser press, laptop-size safe, air-conditioning and minibar.

RESTAURANT & BAR

Culinary delights are served at restaurant HEat. It surprises with its open show kitchen, big sun terrace and great view to the Berlin Cathedral. The Atrium Bar savours its guests with homemade cakes and delicious cocktail.

FITNESS & WELLNESS ON 450 M²

After a tiring day of work, shopping or sightseeing, why not visit the spa area Heaven Spa with swimming pool, saunas, steam bath, 24-hours fitness room, massage and beauty treatments.

MEETINGS & EVENTS

For conferences, business meetings or any social events, the Radisson Blu Hotel features 2 separate function areas with a total size of 2,740 m².

Unique is the meeting and event location DomLounge with innovative Apple AirPlay technology on the two top floors of the hotel. Panoramic windows are offering stunning views. The Berlin skyline, including TV tower, Red Town Hall, Berlin Cathedral and Museum Island, is an impressive backdrop for any event. 1,400 m² on two levels with 5 meeting rooms and 4 foyers offer a versatility of space to create the perfect setting for your event.

The conference area on the ground floor measures 1,340 m². The conference foyer, 530 m², 65.5 m in length and flooded with natural light, provides more than just the link between the hotel and the conference area, it is the perfect setting for product presentations, car launches, receptions or gala evenings – the futuristic glass roof absorbs the historic backdrop of the Berlin Cathedral, it's almost close enough to touch. High-quality wood and fresh tones provide a pleasant atmosphere for the ten air-conditioned conference rooms. Some of the conference rooms can be joined together.
