Scandic Falkoner boasts a unique location on Falkoner Allé in the heart of Frederiksberg, Copenhagen with cafés, shopping, gastronomy and a charming Parisian atmosphere right on the doorstep. The hotel has been renovated with particular consideration for the rich theatrical history of the district. There is an enchanting ambience and all the corridors have stories of stars to tell.

For meetings, large-scale events or concerts for up to 3,000 people, Scandic Falkoner is the obvious choice. We offer two large halls and 12 flexible conference rooms of various sizes, all equipped with state-of-the-art technology. Combination options are endless, guaranteeing optimum flow between plenary sessions, parallel sessions and exhibition and catering areas.

Falkoner Salen and its historic stage is perfect for anyone organising major events or on the lookout for great flexibility. The unique structure of Falkoner Salen means that everyone in the audience has a perfect view of the stage, while its lighting, sound and impressive acoustics are in a league of their own. The auditorium can be converted in just 30 minutes from a theatre seating an audience of 1,670, to an 806 m² space with a flat floor – ideal for the likes of an exhibition or banquet.

If you need accommodation, Scandic Falkoner offers 334 rooms. All are stylishly decorated in Nordic design with elegant details reflecting the world of theatre. Wake up fresh and well-rested after a great night's sleep and get off to a flying start with a lavish breakfast buffet served in Green Room Restaurant. Frederiksberg Station provides access to all Metro lines and, if you arrive by car, parking is available at the hotel for a fee.
