## FACILITIES

### Café JKRT (Jakarta)

Café JKRT (Jakarta) is the living room of Amsterdam. In line with our vision 'Two Worlds Connected', we are serving very special dishes: for example dishes where Western ingredients are combined with Eastern spices en tastes. In addition, we are also cooking traditional Indonesian dishes and Western dishes. You will find them on our menu.

Our spacious terrace is located next to the water and will give you a wonderful view over the River IJ and the passing boats. During summer, you can watch the passing cruise ships and the sunset behind the city of Amsterdam daily.

# GENERAL INFORMATION

## SKYBAR MALABAR

During and after the sunset, Malabar will be the place to be. You can drink a wonderful cocktail and taste our delicious and surprising Asian bites while you are watching the sunset. Enjoy the view over the River IJ while you see the cruise ships leaving, people swinging on the A'Dam Toren and the lights are turned on in Amsterdam. The exclusive Sky bar is located on the top floor of Hotel Jakarta. On the side of Malabar is a DJ booth where our amazing DJ's will play lovely music.

**Nice fact: Malabar is named after a two thousand meter high volcano on Java, south of the city Bandung.**

## BAKERY WESTERS

If you do not have enough time for breakfast or would like to have a nice sandwich for lunch? Hotel Jakarta will offer you a delicious bakery, the place to be when you would like to have fresh baked bread, pastries or a coffee to go. Bakery Westers is located on the east side of the hotel, for guests accessible through the inside garden and for local people accessible through a separate entrance located nearby the street. It is not a coincidence that Hotel Jakarta has its own bakery. The founder of WestCord Hotels was born in a real bakers family.
