As for the views, some rooms overlook the garden and the pool, while the Junior Suite has a superb view of the Las Ventas bullring.

Gastronomy

With more than three decades of experience, professional chef David Ros has developed a new and innovative approach to Mediterranean cuisine at our NH Ventas restaurant. Our open-air patio with its tranquil atmosphere and views of the garden is the ideal place to enjoy a bite (weather permitting). The hotel's buffet breakfast ensures a healthy and balanced start to the day. Early risers and those who have to depart before the buffet opens can simply request an early breakfast from Reception.

Function Rooms

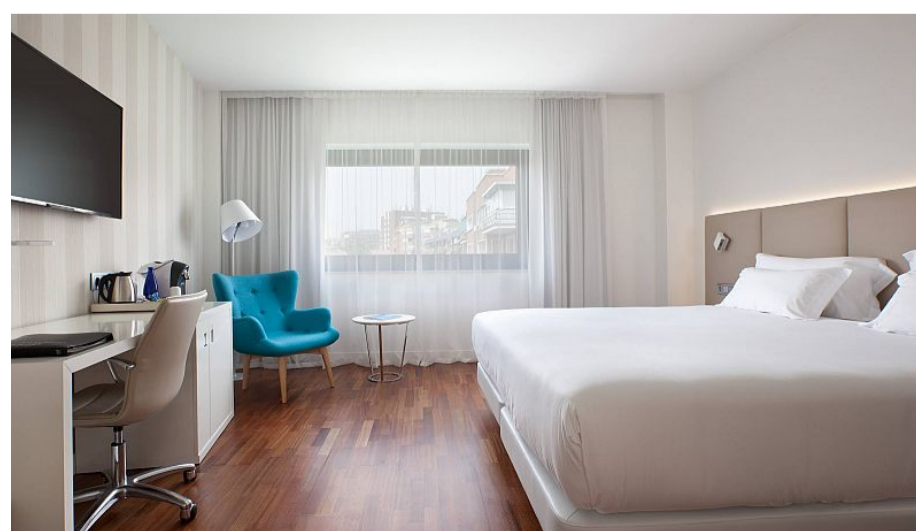

The hotel has eight function rooms, the largest of which can accommodate 500 guests. The garden features a large tent and an outdoor patio overlooking the pool. Our venues can be reserved for all kinds of events, from business conferences to cocktail parties.

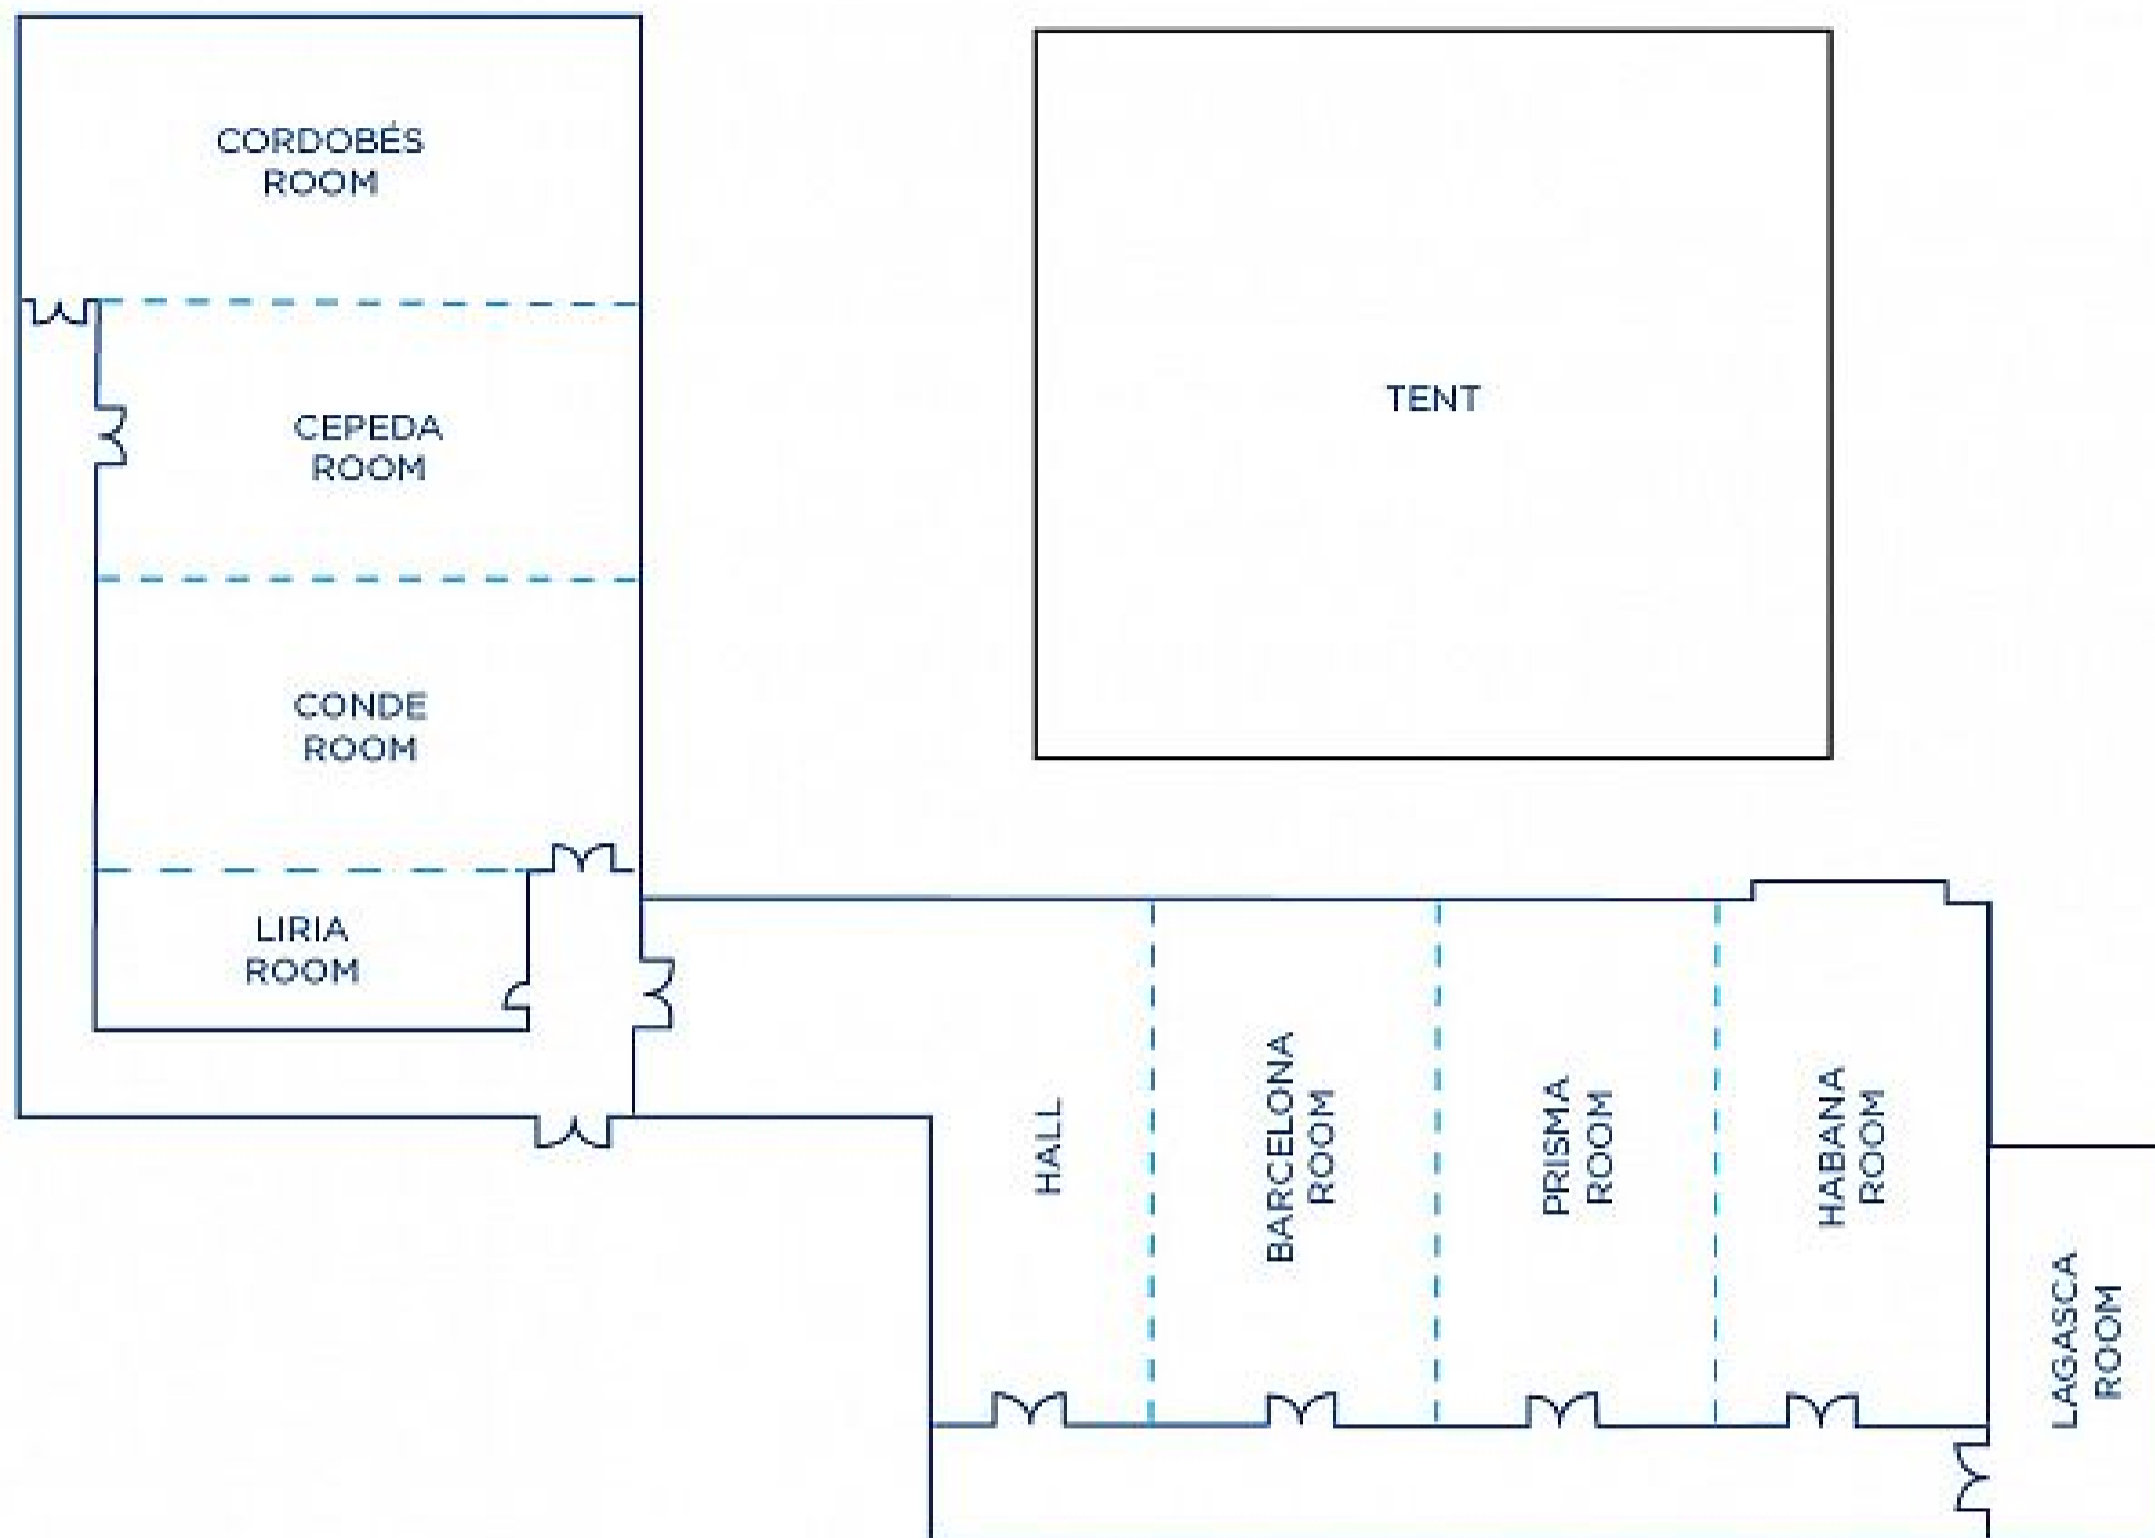

Special Event Services

The hotel also features private breakfast facilities, shuttles to the city centre, hostess services, car and limousine services, fitness activities, personal assistance, and much more. We can also provide entertainment services, such as escorts on a shopping excursion to Madrid and other outings.

Health Activities and Sport

The hotel has a pool and a fitness centre. The latter is open every day and features modern equipment and cardio machines, including treadmills and a stationary bike.
