AMSTERDAM RAI

hotel

Welcome to nhow Amsterdam RAI, a place where contemporary art, design, gastronomy and cultural expressions mix. A new social and multicultural hub for globetrotters, business travellers and Amsterdam locals. The iconic building, pointing in various cardinal directions, symbolises the melting-pot the city of Amsterdam has always been and continues to be. The impressive 91m tall building is located in the Zuidas district, right next to RAI Amsterdam Convention Centre, offering its guests a dynamic headquarter and home base. nhow Amsterdam RAI commits to a sustainable future by following world-leading standards for sustainability and energy efficiency. The building was awarded a Bream Excellent rating.

650 vibrant rooms

The six individual room designs were inspired by the six directions to which the building's corners point: south, east, north, south-west, south-east and north-west. Design influences from all over the world create an eclectic mix of colours and patterns, making room for inspiration and creativity.

A stylized map of Amsterdam, Netherlands, rendered in a high-contrast, graphic style. The map uses a color palette of red, yellow, and light blue. The red areas represent the city's street grid and building footprints, while the yellow areas represent parks and open spaces. Light blue lines and shapes represent the city's extensive canal network. The word "Amsterdam" is printed in a white, serif font across the center of the map.
