GASTRONOMY

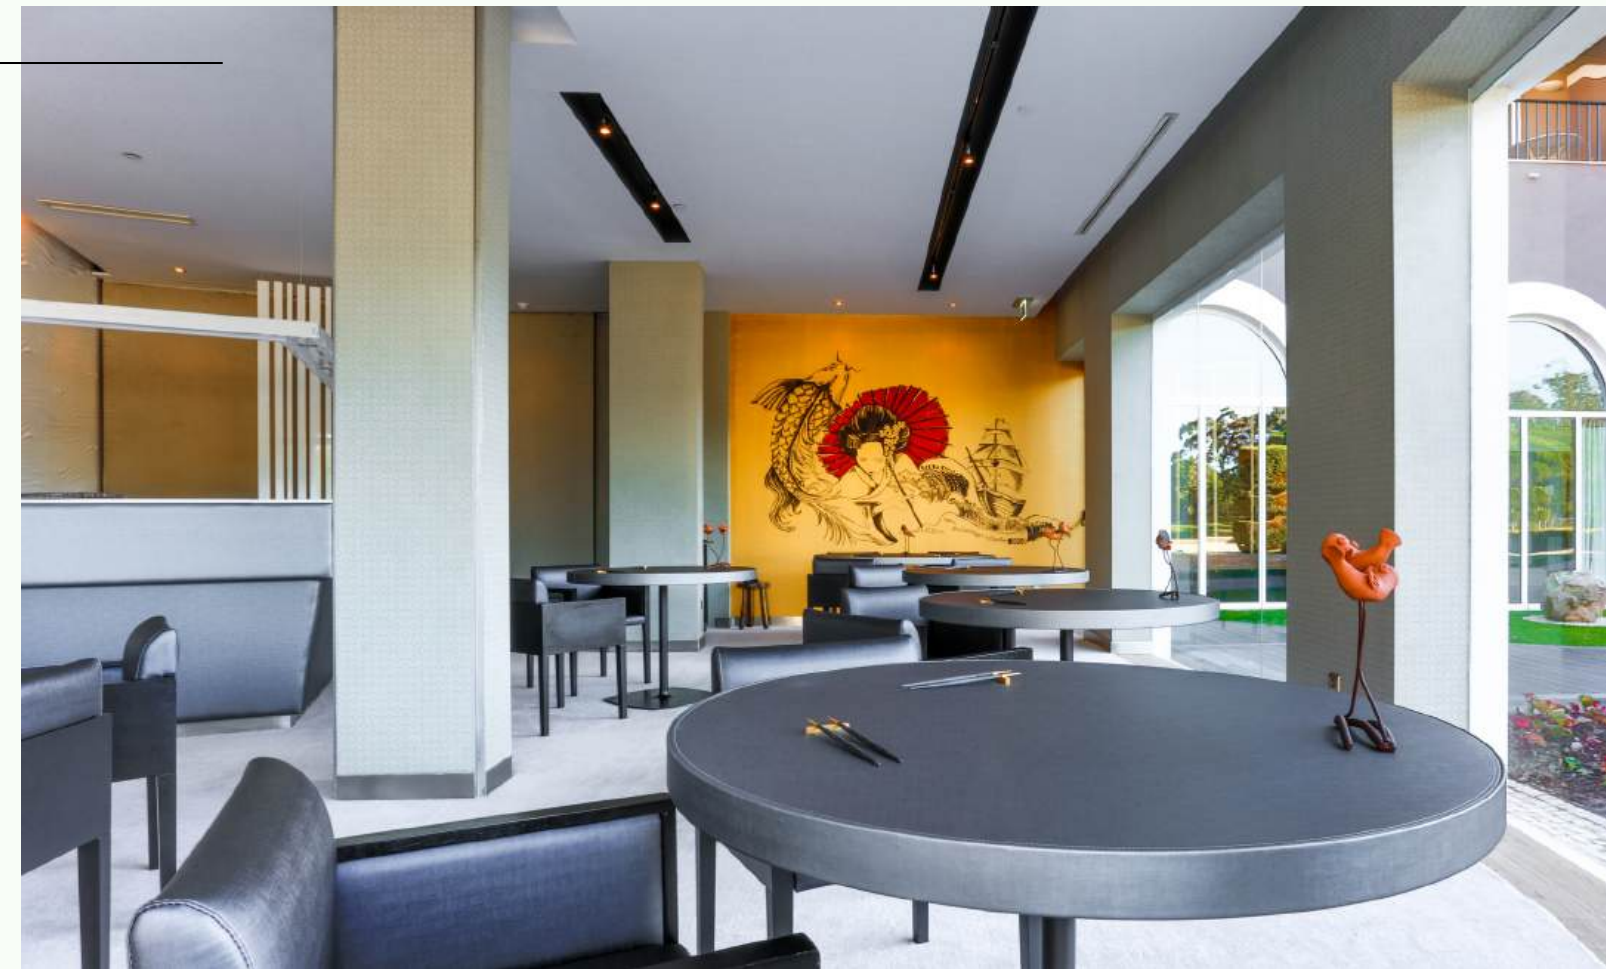

Midori

The reinvention and redesign of this Japanese restaurant may have changed the décor, but its core remains the same: offer diners a unique culinary adventure showcasing exquisite Japanese fine dining and the highest quality of ingredients.

Lab by Sergi Arola

The restaurant offers an extremely intimate and exclusive atmosphere, inventive cuisine with three different tasting menus, à la carte options and the coordination of an extensive wine selection with more than 550 references from around the world.

GASTRONOMY

Arola

Arola's menus offer a creative and contemporary twist to Portuguese cuisine, mixing tradition and heritage with an inimitable modern approach. Chef Sergi Arola seeks to provide unexpected contrasts of flavor and texture with the ultimate aim of provoking, surprising and delighting his guests.

Penha Longa Mercato

The kitchen focuses on fresh ingredients to bring new flavors to classic Mediterranean specialties. Penha Longa Mercato diners can enjoy food and wine from all across the Mediterranean regions.

GASTRONOMY

Aqua

Located by the poolside and overlooking the mountains and the golf course, the Aqua restaurant offers refreshingly delicious food, snacks, salads and an inspired open grill counter.

Spices

Everything in Spices transports you to the Asian culture: the wood finishing and earth tones, the ingredients used and even the menu itself. Let yourself be carried away and get ready to experience an unforgettable culinary journey!

GASTRONOMY

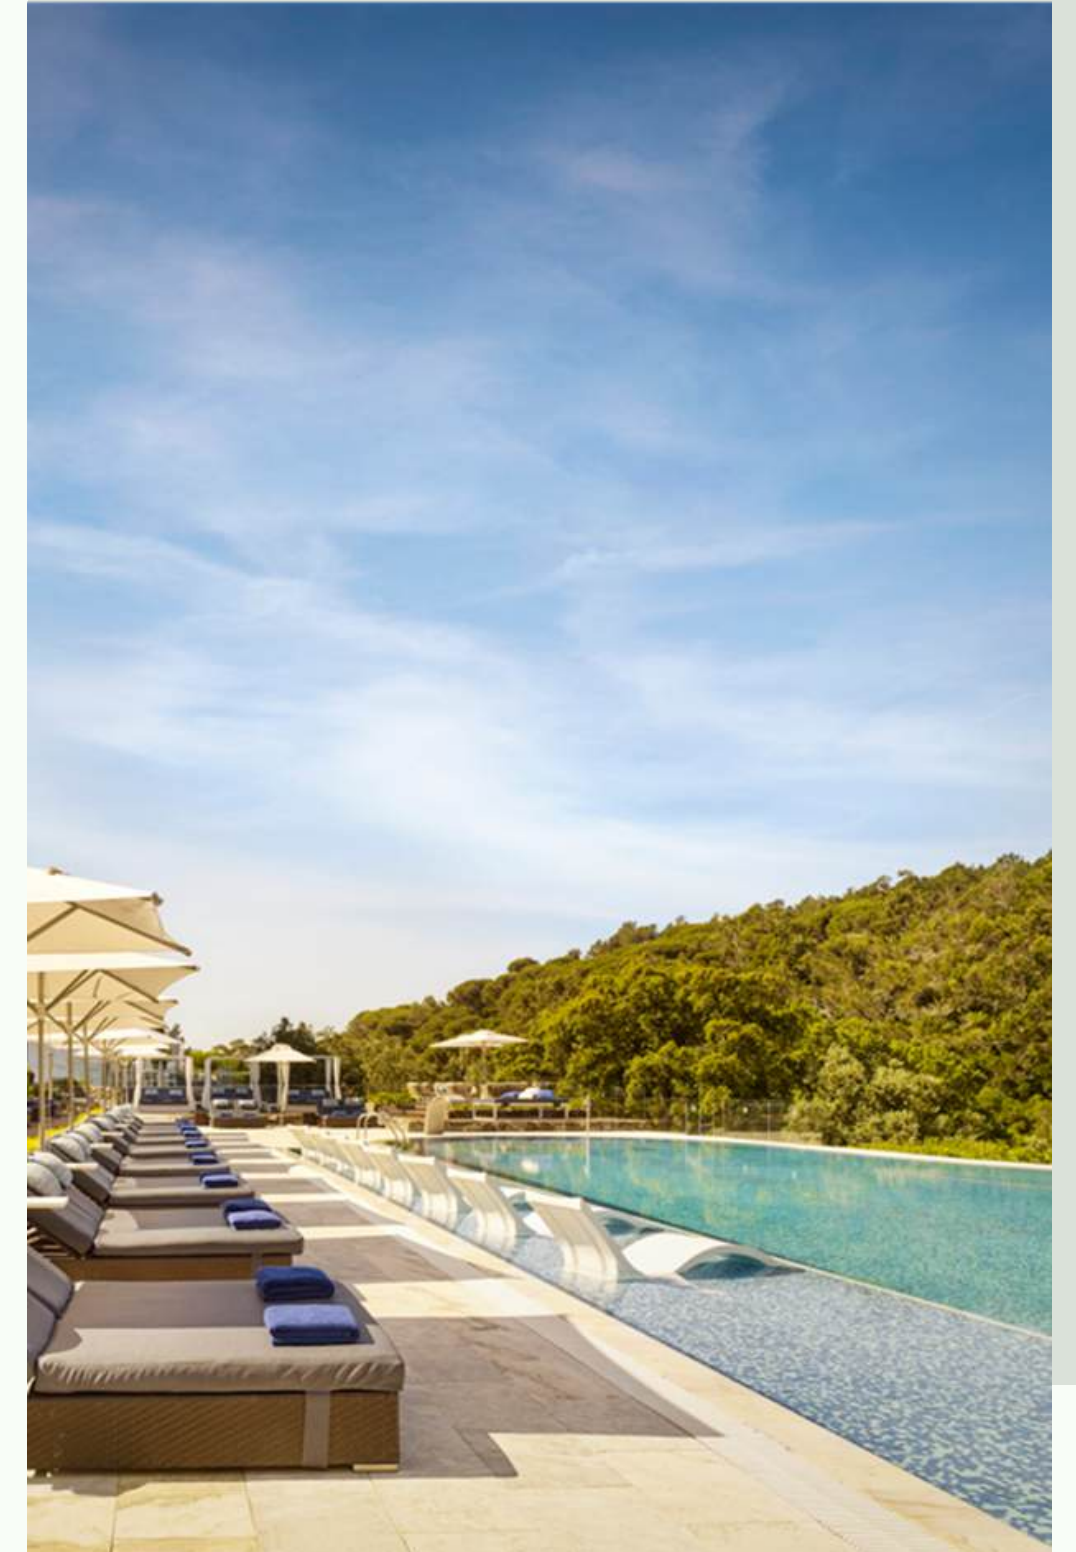

B-Lounge

B Lounge presents a new concept as a tribute to Portugal. Every hour is an excuse for a good time around the table: there is a new menu inspired in the Portuguese cuisine; and then the afternoon is divided between the Afternoon tea "Sintra Traditions", and the Wine O' Clock happy hour.

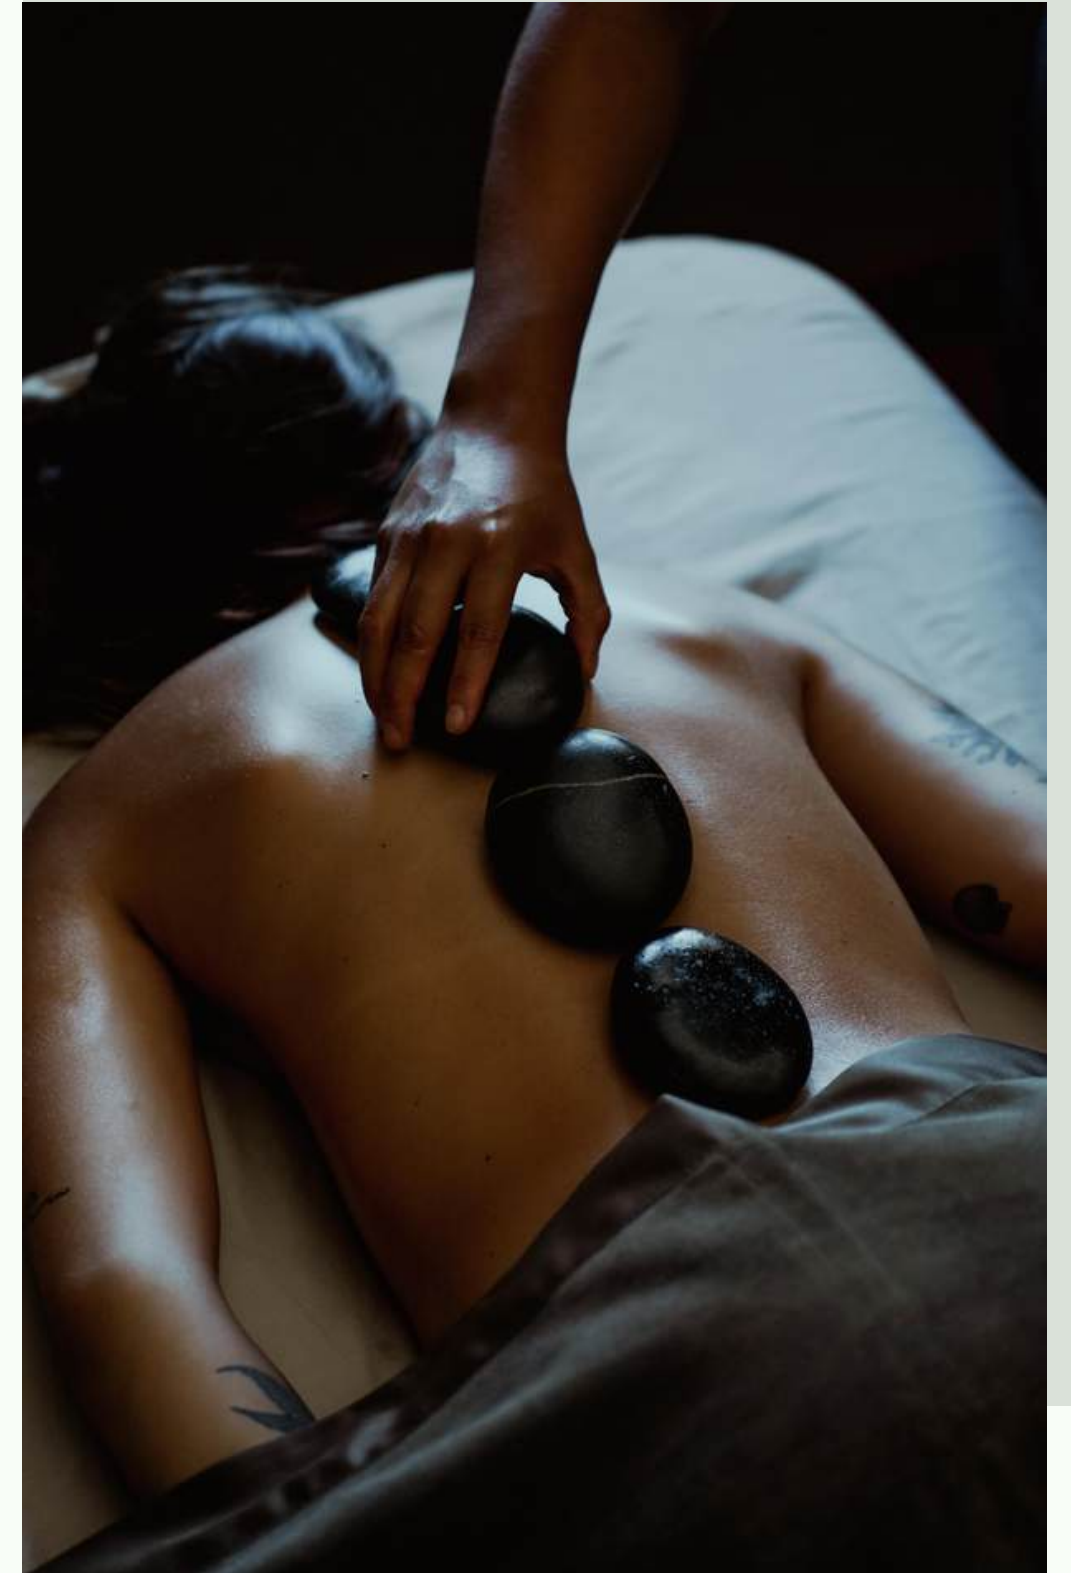

WELLNESS

Infinity pools and endless views to Sintra mountains, makes it the perfect spot to relax.

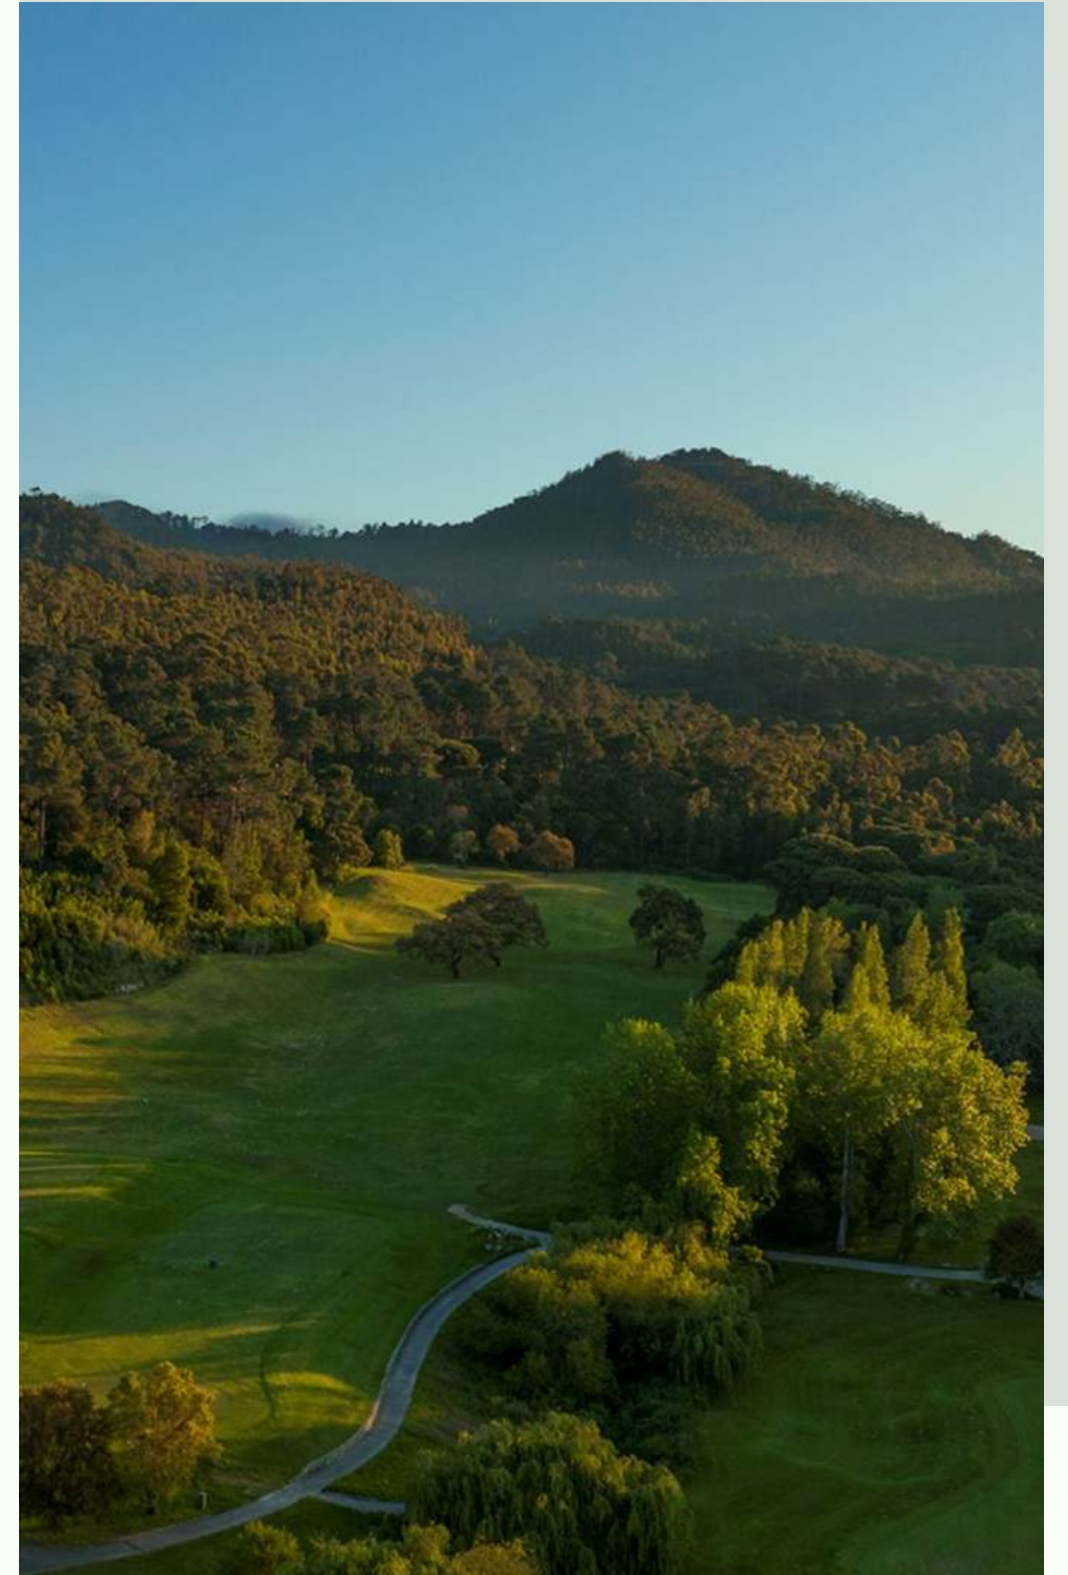

SPA

The oriental gardens and our mindfulness treatments, will take SPA experience to another level.

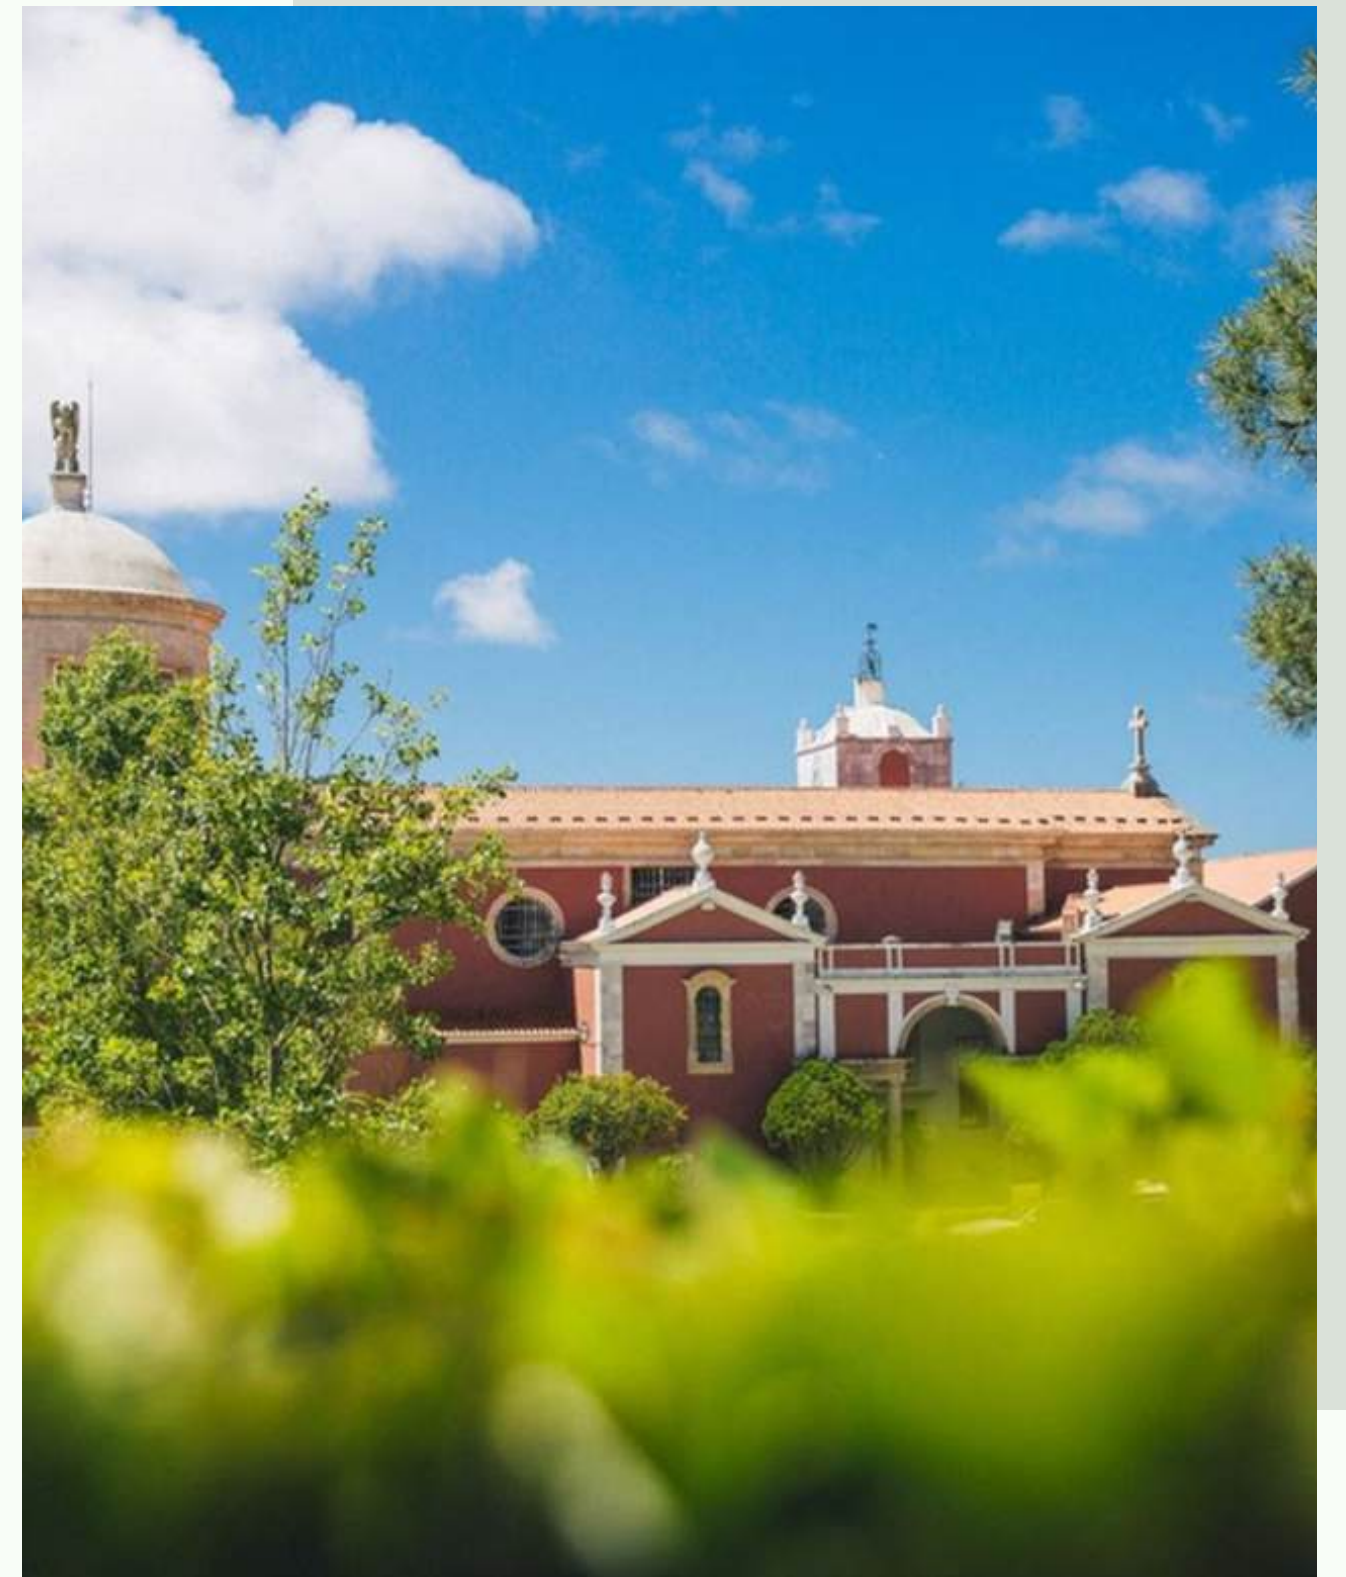

GOLF

Within the top 10 golf courses and resorts in Portugal, our championship golf course is the perfect place to challenge yourself while enjoying the stunning views of Sintra mountains.

HISTORY

Between the private collection of tiles to the Lady of Health Chapel, the history of our resort dates back to the 14th Century.

MEETINGS & EVENTS

Spaces

More than 25 meeting rooms with natural daylight and a stunning historical setting, Penha Longa Resort has the space and facilities required for almost any style of business meeting or corporate function.

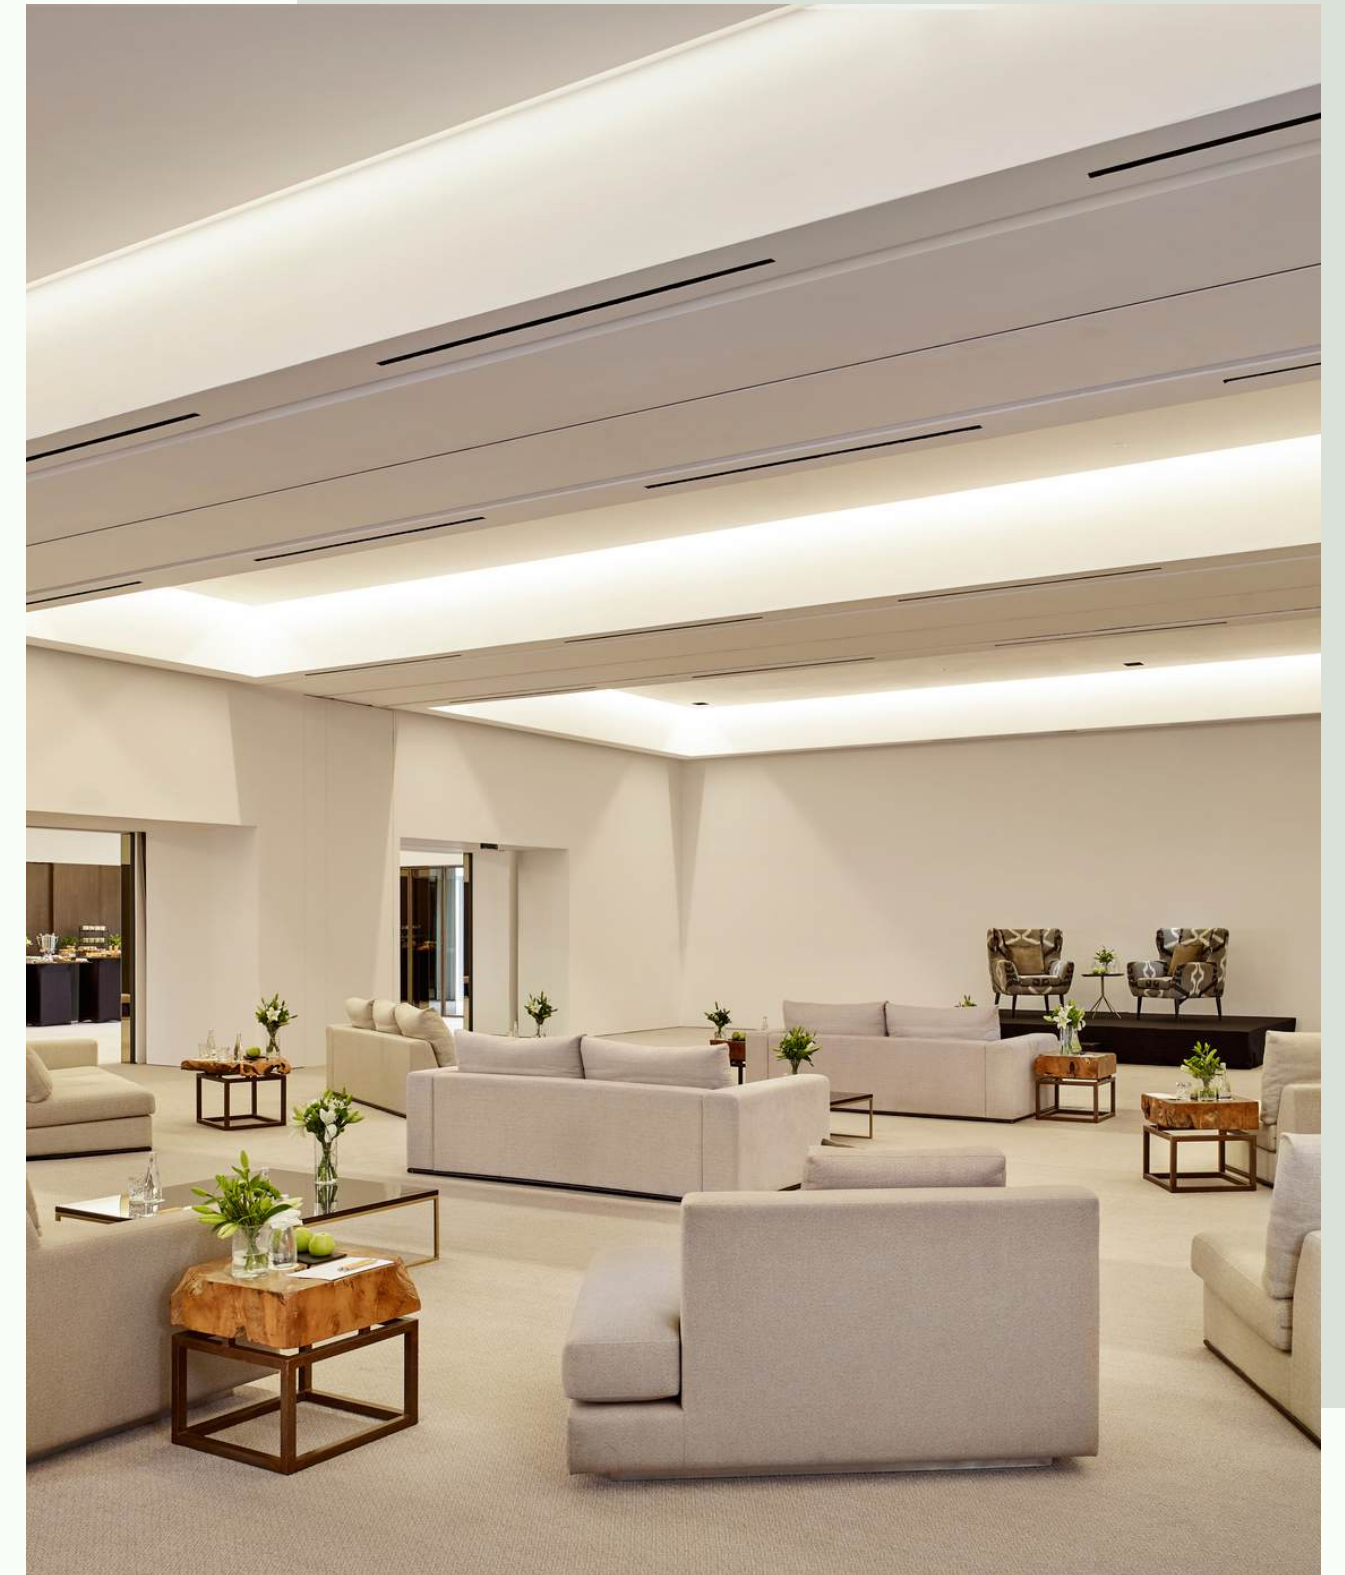

Coroa Room

Located in the 14th-century Penha Longa Monastery, a truly unique location for any event. Coroa Room has capacity up to 700 guests and can be divided in two different rooms.

D. JOÃO

Located in the Hotel main building, D. João room can be divided in three different rooms and has a maximum capacity up to 300 guests. Enjoy the renovated foyer with natural day-light and if the weather allows it have your coffee break in the terrace, overlooking the mountain and Gold course.

UNIQUE SPACES

Either on property or outside we have plenty of suggestions to make your event truly memorable.
