HOSPITALITY WITH A SENSE OF SELF

OPENING Q3 2024

Located within the heart of Europe, Cardo Brussels is a lifestyle destination like nothing else, providing hospitality with a sense of self through unique design, playful personality and ironic character.

Bringing people together, the hotel features meetings and events spaces that fully engage the customer, inspiring a sense of belonging, together with locally relevant restaurants & bars which offer food and drink experiences that evolve over time.

There is a combination of communal interaction areas and public spaces that also offer moments for quiet reflection: mindfulness and wellbeing are an essential part of Cardo DNA.
