Style and connectivity meet in the world's fashion capital, and at Avani Palazzo Moscova Milan Hotel, you're right in the heart of the action. Explore Milan's understated elegance from the comfort of an iconic historic building, home to the city's first railway station and designed by famous Italian engineer Giulio Sarti. Start your Italian day by drinking an espresso on the sunny terrace. Then hit the nearby streets and start your shopping at the trendy boutiques of Corso Garibaldi. Return to bliss out at AmaTi Spa, where you can indulge in our spa treatments amid the original station vaults, or work out in the fully equipped gym.
