The image shows a serene and modern treatment room. On the left, a built-in vanity features a white oval sink, a modern faucet, and a warm orange-red backlit wall. On the counter are three lit candles and a small bowl. In the center, a massage table with a beige top and a matching neck pillow is set up on a dark wooden frame. The background wall is made of vertical light-colored wood panels. To the right, a red upholstered chair with a black frame stands near a doorway. The floor is a light, neutral color.

A photograph of a wooden sauna interior. The walls and benches are made of light-colored wood. The benches are tiered, with the lowest bench in the foreground and higher ones in the background. The walls are covered in vertical wooden slats. Warm, ambient lighting is provided by small, recessed lights along the edges of the benches and a larger light fixture on the wall. Two rolled-up white towels are placed on the leftmost bench. A small wooden bucket with a handle is on the lowest bench. The overall atmosphere is warm and relaxing.
