THE PROPERTY

A MODERN AND SUSTAINABLE HOTEL-RESIDENCE

TEMBO BARCELONA is where homely comfort meets hotel services, where **design and sustainability** combine to create an unmatched experience.

Our 280 soundproof accommodations with private terraces illuminate your living space with natural light, inviting you to relish the beauty of Barcelona.

With **soundproof windows** and **abundant natural light**, our 13 meeting spaces are expertly designed with your needs in mind, creating the perfect atmosphere for productive meetings and coworking spaces. To elevate your stay, our **rooftop Amani Sky & Tapas Bar** awaits offering amazing gastronomy, live music and **panoramic views of** the Barcelona skyline.

MEETING SPACES

FLYING ROOMS

Imagine having your meeting in a soundproof glass room hanging outside the building.

With the same benefits as the meeting rooms on the 1st floor, you can have these unique private spaces for small meetings, and video calls, or even use them as a breakout room. You can find our eight flying rooms from the 3rd to the 15th floor.
