

AC BY MARRIOTT GLASGOW

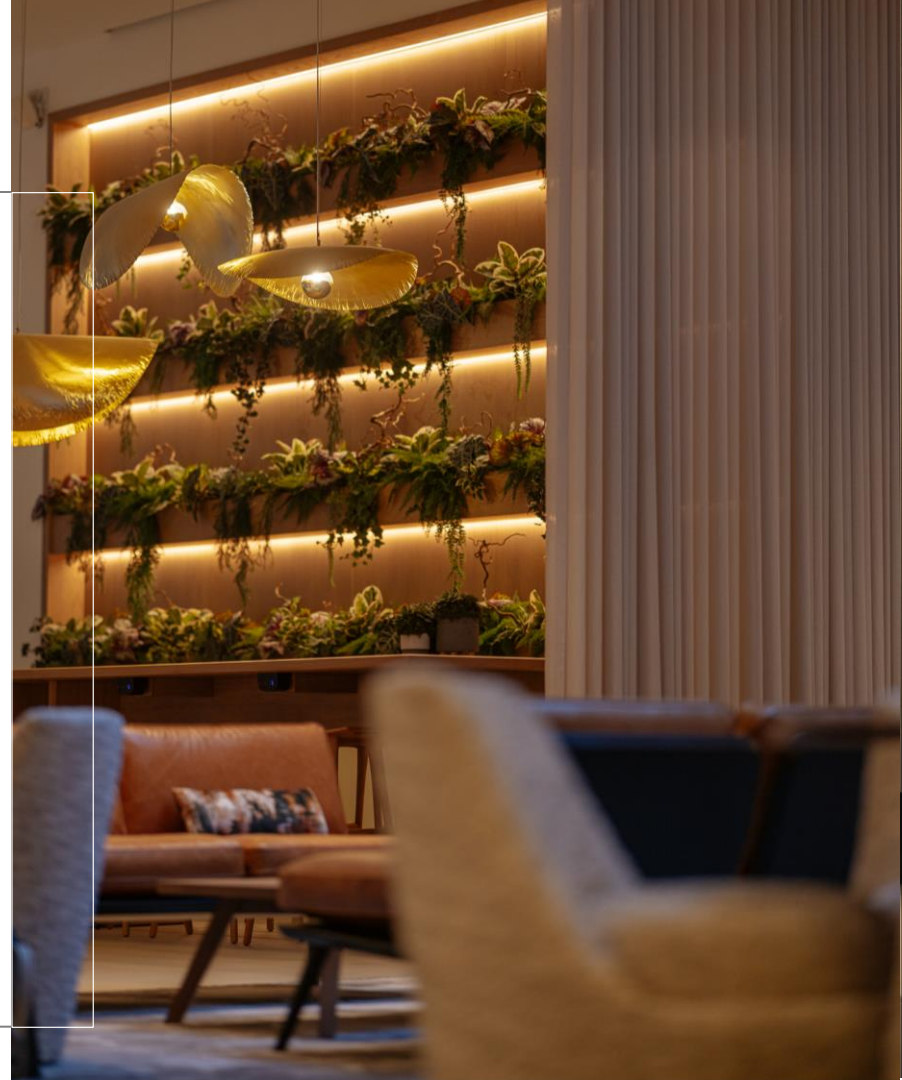

A NEW WAY TO HOTEL

The changes that shape our culture all started with asking why?
In arts and industry, in fashion and food
From space travel to business travel
The rules get reimagined when we ask that simple question.

Antonio Catalan asked “why?”
Why can’t a business hotel be comfortable and inspiring?
Why should people pay for extras they don’t need?
Why is the décor so 70s? The service so 80s? The technology so 90s?

At AC Hotels, we’re answering the “whys”
With an entrepreneur’s spirit, and a designer’s eye;
We’ve created a new kind of stay
For a new kind of traveler.
Who prefers to have fewer things
But expects them to be better than good.

And so do we.
That’s why, in every tiny detail,
In each piece of art we select
In each drink from our bar,
We’ve created something perfectly designed
For modern business travel.

HERITAGE

LOVE LOAN - GLASGOW'S PAST, PRESENT & FUTURE

UNCOVERED HISTORY

Next to Glasgow's busy George Square, this long forgotten street was once home to a wonderfully diverse collection of residents- Singer sewing machines, glass paper and glue merchants, shopkeepers, coal dealers and cotton manufacturers...

VIBRANT ENERGY

The ambition now is to bring Love Loan back into public consciousness and create a vibrant, cultural & culinary hub.

DYNAMIC NEIGHBOURS

Stylish venues, signature bars, private members club and flamboyant street festivals- Love loan will be emblematic of Glasgow's past, present & future.

STYLE AND DESIGN

PERFECTLY PRECISE

PURPOSEFUL

We overthink your stay so you don't have to – you will always have a table to hand for your drink and will never be more than an arms-length away from a plug socket.

SIMPLISTIC

Flexible, open spaces with everything you need, nothing you don't. Clean lines, soft furnishings and a calm aesthetic.

ELEGANT

Timeless design, neutral tones and premium materials create unobtrusive spaces that let live by design, not by default.
