### WEBSITE

[www.grandhoteldjibloho.com](http://www.grandhoteldjibloho.com)

The Grand Hotel Djibloho, rising above the lush tropical jungle of Equatorial Guinea, is an architectural masterpiece that epitomizes luxury and sophistication. Situated in the captivating City of Djibloho, a constituent of Equatorial Guinea's recently established eighth province, the hotel presents a serene getaway. Its impressive exterior is complemented by the tranquil fishing river that winds its way through the property, enhancing its allure and charm. The verdant jungle surroundings envelop the hotel, creating an enchanting ambiance that warmly welcomes guests. In addition, the hotel's spacious design makes it a perfect venue for large gatherings, meetings, or conferences.
