

# OCTANT

*Ponta Delgada*

## FACTS & FIGURES

Every Octant is a tribute to its location. They are places where you will find care and attention, peace and freedom, with no time constraints. And also, rare emotion, deep knowledge, unique encounters and experiences that you will never forget.

Here, at Octant Ponta Delgada, Azorean sophistication and natural beauty meet right in the center of the city. Between the cosmopolitan lifestyle of the marina and the more exotic interior of the island of S. Miguel, the contrast between the ocean and the green feeds an adventurous, sustainable spirit that is deeply protective of local ecosystems.

123 rooms and suites overlooking the sea, the À TERRA restaurant supplied by local producers and serving local dishes, the Lobby Market and a new, full spa and gym open round the clock, a conference center and a panoramic outdoor pool. And taking advantage of São Miguel's natural environment, you can easily transition from this atmosphere of sophistication to the more rustic and genuine side of the island, where the landscapes tell ancient stories, among geographical cuts that allow experiences of nature and adventure that are only made here. and only here they feel. They say that each person is an island. This – believe me – awakens more of you, more of us.

This is what it means to be free. It is having the time for what matters, turning it into good memories, and returning to them over and over again.
