

# OCTANT

*Évora*

## FACTS & FIGURES

Every Octant is a tribute to its location. They are places where you will find care and attention, peace and freedom, with no time constraints. As well as rare emotion, in-depth knowledge, and unique encounters and experiences you will remember forever.

Here on the Herdade do Perdiganito, the landscape stretches across 11 hectares punctuated by a rare beauty that occurs naturally between footpaths, walkways, and meadows that stretch all the way to the stream at the Monte Novo Dam. The Octant Évora's contemporary architecture harmonizes beautifully with the natural surroundings, while the interiors carefully reflect traditional aspects, such as wood in rustic tones, the blues and whites so typical of the Alentejo, and the organic and artisanal materials that extol the local culture. The 56 rooms and 16 villas enhance your relationship with the beauty outdoors, since all of the rooms have an open-air living area and the villas have a private balcony, terrace and pool. With 24-hour services, in summer, the two outdoor pools invite you for a refreshing dip, in winter, the heated indoor pool in our spa is all you need to keep the cold at bay.

This is what it means to be free. It is having the time for what matters, turning it into good memories, and returning to them over and over again.
