

INTRODUCTION

Located right in the middle of East Amsterdam lies Q-Factory, Europe's largest musicians centre. With its bustling and musical environment, Q-Factory offers diverse opportunities for musicians, actors and dancers to rehearse and perform. On the ground floor you can find the Q-Café where you'll enjoy lovely drinks and food. The main staircase leads up to the two multi-functional event halls which form the very heart of Q-Factory. Next, you'll arrive at the elevator towards the Q-Hotel located at the top floor. Visitors from all over the world find accommodation in the fifty guest rooms, all furnished with attractive materials respecting the industrial look of the building.

We also provide custom made events per request. With its two halls, many studios and catering facilities, Q-Factory offers plenty of room for congresses, expositions, workshops, meetings, and more. In short, whatever you might need to make your event succeed, Q-Factory has it.

Welcome to Q-Factory!

LOBBY

You'll find the lobby on the first floor, reachable by the main staircase, or by elevator. This highly adjustable lobby lends itself perfectly for creating the ideal atmosphere for events like, your staff drink, art exhibit, or product launch.

You'll also find a bar with functional kitchen, lockers, two groups of toilets, and if desired, a wardrobe for your guests can be created here as well. The presence of the elevator means that this floor is entirely accessible for the disabled.

MAIN HALL

HEIGHT: 13 METERS DAYLIGHT: NO PARTY: 1000 THEATRE: 300 DINNER: 150

The impressive, industrial Main Hall offers room for all sorts of events. The hall, which can hold up to a thousand people, naturally has excellent lighting- and sound facilities. Besides a bar and LED-screen, the Main Hall also contains a fixed stage. It goes without saying that everything can be adjusted to your specific needs.

This hall lends itself marvellously for events like debates, staff parties, product launches and award- or fashion shows. The catering can be provided entirely by Q-Factory of course. In combination with the Small Hall and the Lobby, you can use the entire floor to your taste.

SMALL HALL

HEIGHT: 6.5 METERS DAYLIGHT: POSSIBLE PARTY: 300 THEATRE: 80 DINNER: 40

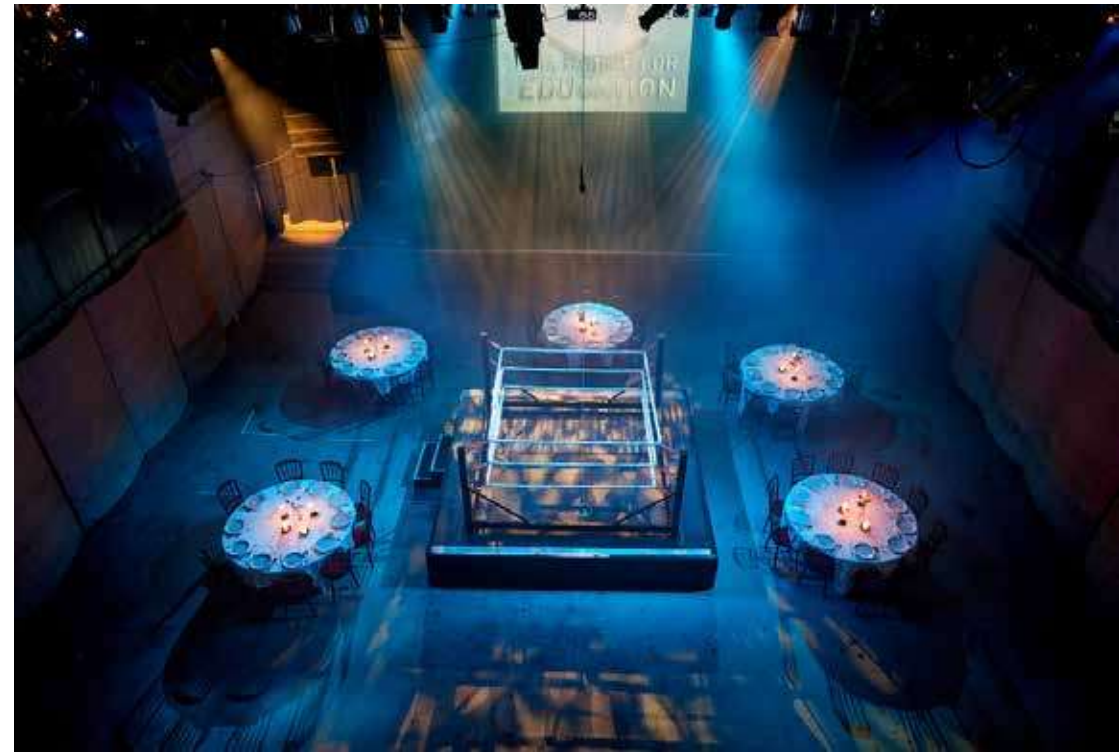

The Small Hall is perfectly suited for smaller scale events. With a capacity of up to 300 people it can function as a reception, workshop, meeting or a seminar. The Small Hall can be transformed into anything ranging from an intimate, atmosphere-rich place, to a bright and fresh room by opening the windows and adding the balcony.

The Small Hall too features a fixed stage with excellent light- and sound facilities, a LED-screen, and a separate bar on the lobby deck. And here too, the catering can be entirely provided by Q-Factory.

MOOD MAIN & SMALL HALL

MOOD MAIN & SMALL HALL

TECHNIQUE

Both halls in Q-Factory have excellent light- and sound facilities. The PA-sets present provide both halls of amazing acoustics, while the extensive lighting plan can create the right feeling for your event. All business regarding the technical is organized in-house.

Both the Main- and Small halls feature a LED-screen to perfectly showcase all your visuals. If desired we can assist you in realizing any further technical additions.

The stages in both halls can be extended. Stage barriers can be placed to separate the stage from the crowd area for instance.

STUDIO ROOMS

Q-Factory contains a large number of studios, which embody the pure creativity of Q-Factory with their genuine musicians' look. These places are also utmost suited for smaller events, like meetings, rehearsals and workshops.

You can choose a studio best suited for your needs depending on the number of guests for your event. It's also possible to rent multiple studios, in case you'd want to create break-out sessions for example.

MEETING ROOM

Q-Factory offers the ideal environment for meetings. The stylish meeting room offers space for up to twenty people and can be furnished in various ways. With a strong Wi-Fi signal and a 55 inch LED-screen there's nothing to stop you from having a successful meeting.

Would you like to have an extensive lunch, or a tasteful dinner during or after your meeting? Leave this to Q-Factory, we'll be happy to oblige.

CUSTOM CATERING

In the field of catering Q-Factory has much to offer: custom catering is what we call this. With the numerous drink arrangements, drinks in general, or even multiple course dinners, we provide an all-round experience to you and your guests. Our experienced and enthusiastic catering staff will ensure your guests won't lack a thing.

Based on your event-request and budget, we'll provide you with a fitting offer.

Q-OUTDOORS

Part of Q-Factory is a beautiful terrace, suited for all sorts of events: Q-Outdoors. This is a lovely place which lends itself perfectly for things like a product launch, a staff drink, or a silent disco.

It's possible to have a stage be placed here, it's up to you how the space should be used. We're happy to provide snacks and drinks.

Q-FACTORY HOTEL

For those needing of a good night's rest after a creative and strenuous day there is the Q-factory Hotel: 50 guest rooms situated on the top two floors of Q-Factory. Here you can choose between four different rooms: The Backstage, The Studio, The Balcony and The Artist. Each room is furnished and designed differently. The use of concrete, wood and steel ensures the industrial touch that fits Q-Factory so well.

ACCESSIBILITY

-  **Q-Factory** ♿ 0 min
-  **Q-park Oostpoort** ♿ 1 min
-  **Muiderpoort station** ♿ 5 min

The Q-Factory is located in East Amsterdam. You can easily reach the location via the exit "Watergraafsmeer" on the A10. The Muiderpoort train station and several connections to busses, and subways are located within walking distance from the Q-Factory.

Parking

A large Q-Parking is located right next to the Q-Factory. Here you can park for a maximum rate of €18 per day, 24/7. Parking in the surroundings is possible, too.
