Humans since 1982

A complex practice that traverses
art, design and technology. The
artwork shows the digital time
once a minute.

Sustainability is our core value. We work actively to be more environmental conscious – and we keep wanting to learn more and improve ourselves. To name a few:

LEED Gold - certificated premise
Green Key - certification
Monthly food waste control
I Love Eco Essentials -
microplasticfree bath amenities

The Mark: Faces of U14

We invite our guests and employees to be part of our Living Space. Create your own Face of U14 with a special app at check-in and see how the face becomes part of the hotel's Living Space during your stay at elevator screen and our website.

Our hotel is full of joyful details with lots of colours, animal and nature inspired patterns and playful mix of different materials creating an inspiring, joyful and playful atmosphere. The leather hippo welcomes our guests to their rooms.
